

OSAO Edu Ltd

Vocational excellence from Finland

Expert in Global Education Services

OSAO Edu Ltd is a Finnish training provider offering high-quality vocational education and training solutions for global markets.

We combine practical skills, modern pedagogy, and strong industry connections to create impactful learning experiences – in Finland and worldwide.

Partner for High-Quality Vocational Education and Training from Finland

At OSAOedu, we bring this excellence to the global stage – offering **tailored training programs, teacher education, and workplace learning models** that respond to real labor market needs.

Whether you are a public institution, private training provider, or development organization, we are your reliable partner in building skills, empowering youth, and strengthening education systems.

Let's create lasting impact – together.

What we are looking for

- **Strategic Partners** in Vocational Education and Training
 - ✓ Ideal partnership for **VET providers, agencies and other companies**

Mr Esa Lahtela, CEO
